DUM BIRYANI

"Our bakery takes pride in offering a unique culinary experience with our biryani, prepared traditionally in earthen pots. This method imparts a distinct flavor and aroma that is unparalleled. The porous nature of the clay allows for slow, even cooking, which helps to meld the spices and ingredients together, enhancing the overall taste. The earthy essence of the pot subtly infuses into the biryani, creating a rich and authentic flavor profile. This ancient technique not only preserves the nutritional value of the ingredients but also adds a rustic charm to every serving, making each bite a delightful journey of traditional taste and modern expertise."
